## CUSTOM SUCCESS STORY

# SUCCESS STORY: BOB LILLY PROMOTIONS

## THE DALLAS OPEN

Visions had the opportunity to collaborate with Bob Lilly Promotions, a creative distributor, to design a custom award for their client. Their client sought an "iconic perpetual trophy" to recognize the winner of their prestigious men's ATP professional tennis event at the Dallas Open. They envisioned the award to embody the city of Dallas for its namesake and location of the event, as well as sports legend, Lamar Hunt, whom the award is named after.

Our designers created an award consisting of various materials, hand-crafted and assembled in the USA. Standing atop the multi-tiered black wooden base is white and clear acrylic forming the Margaret Hunt Hill Bridge, a trademark of Dallas, Texas. Across the front of the award is a series of silver-tone plates, including one that holds a full-color image of Lamar Hunt and one that proudly announces the name of the award as "The Lamar Hunt Trophy." The smaller plates located around the base serve as name plates for future recipients.

At Visions, we always look forward to opportunities that allow our creative team to run wild. Partnerships with distributors like Bob Lilly Promotions allow this to happen. This award is just one example of the vast possibilities Visions offers with USA-Made custom awards.

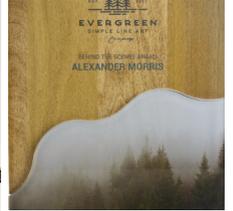

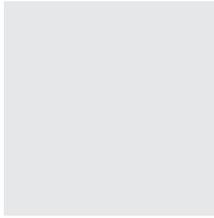

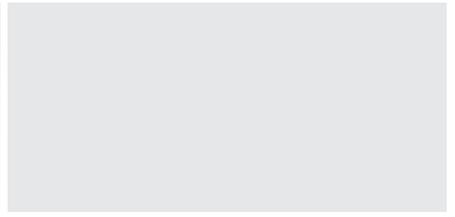

Visions designs and manufactures its own products, many of which are created in our facility in Ohio. Design is in our DNA, and we are known for combining unique materials to create beautiful one-of-a-kind recognition pieces. Our team will help you find the recognition piece you are looking for and give you the opportunity to work with our custom department to design a custom award.
