# SUCCESS STORY: CHOCTAW PRINT SERVICES

## ONYX

Visions had the opportunity to collaborate with Choctaw Print Service, a creative distributor, to design a custom award for their client. Their client sought a unique, high-end, yet functional award to hold items that were being gifted to Onyx members to recognize these highest-tier players at Choctaw Casinos who have been members for five consecutive years. They envisioned a sleek, modern design that members could continue to use.

Our designers created a custom mahogany wood and resin box to hold gifts for the members. The box featured a stream of inlaid marbled resin on the top and side of the box. The top of the lid was engraved with the Onyx 5 Year logo, with the Choctaw Casino and Resort logo engraved inside the lid. Choctaw provided the gift items on Onyx's behalf for Visions to nest inside the box, which included a Contigo tumbler, Nike hat, Movado watch, and Onyx Elite playing cards.

Visions always looks forward to opportunities that allow our creative team to run wild. Partnerships with distributors like Choctaw Print Services allow this to happen. This award is just one example of the vast possibilities Visions offers.
